**Mark Spain Team Named the  
No. 1 Keller Williams Team in the Southeast**

**Alpharetta, GA** — Realtor Mark Spain and his team are no strangers to helping hundreds of metro Atlanta home buyers and sellers change addresses each year. Because of their 2014 sales success—1,172 sales and \$214 million in gross sales volume—the team was again honored as the No. 1 large real estate team by the Atlanta Board of Realtors. This is the eleventh consecutive year the Mark Spain Team has earned this honor. The award was recently presented at the Atlanta Board's annual awards banquet.

This honor came on the heels of earning several accolades at the annual Keller Williams Realty sales convention. There, it was announced that the Mark Spain Team was not only the No. 1 Keller Williams team in Georgia, but for all of the Southeast. In addition, the team was named the No. 1 Expansion Team Worldwide, in a company that has grown to more than 110,000 real estate professionals.

"We are so pleased to be a part of this active and strengthening Atlanta real estate market," said Mark Spain. "It is definitely a seller's market in some areas and the spring activity is already revealing it will be a busy time in real estate."

A native Atlantan and University of Georgia graduate now residing in North Atlanta, Spain has his growing team based out of the Keller Williams Realty North Atlanta office at 5780 Windward Parkway in Alpharetta. They have surpassed \$2 billion in career gross sales and received numerous industry honors. The Mark Spain Team is the #1 resale team in U.S. for closed transactions, according to the *Wall Street Journal* and placed 12<sup>th</sup> on this prestigious publication's annual Top 1,000 Agents list. Mark Spain has also been named the Real Estate Marketer of the Year by the National Association of Expert Advisors and was recently endorsed by real estate mogul and *Shark Tank* investor Barbara Corcoran.
