**Atlanta Realtor Mark Spain Places No. 5 on  
The Wall Street Journal Top 250 Teams in U.S. List**

**Atlanta, GA** — *The Wall Street Journal* and *REAL Trends* has just named the Mark Spain Team one of America's top 250 real estate teams. Ranking No. 5 nationally for most transaction sides with 1163 closings in 2014, the Mark Spain Team annually appears somewhere in the top 10 of this exclusive list.

Mark Spain's team had \$213 million in gross sales in 2014. The team's sales production has consistently been the highest in metro Atlanta, surpassing the \$2 billion mark in gross career sales in 2013. Within Keller Williams, the Mark Spain Team was not only the No. 1 Keller Williams team in Georgia, but also for all of the Southeast, and they were named the No. 1 Expansion Team Worldwide (in a company with more than 110,000 real estate professionals).

"I simply cannot give my extraordinary team enough credit for this achievement," said Mark Spain. "Their hard work and consistent performance year after year makes leading this group such a privilege."

This ranking of the nation's top real estate professionals has been around for 10 years. The top-producing agents and teams that make the list are ranked in the top one half of 1 percent of the more than 1,100,000 REALTORS® nationwide.

"The leadership and example Mark Spain provides not just for his team, but the entire real estate industry makes me proud to call him a Keller Williams agent," said Keller Williams Realty Co-founder and Chairman of the Board Gary Keller. "And through it all, Mark is never too busy to help others, frequently giving his time to speak and share his knowledge at events, conferences and real estate offices."

"We're excited to congratulate Mark Spain on another extraordinary year serving home-buyers and home-sellers in the Atlanta real estate market," Keller Williams President John Davis said. "Mark and his team have built one of the most successful, respected real estate businesses in the United States. Their inclusion on the REAL Trends/*Wall Street Journal* list of America's top agents is a well-earned recognition."

The Mark Spain Team specializes in assisting home buyers, sellers and distressed property owners at all price levels in metro Atlanta. The team is also believed to be the only Atlanta real estate agents to offer a Guaranteed Sale Program for its home sellers.
